1967 Ford Galaxie Parts - Dearborn

The Ford Galaxie is a full-sized car that was built in the United States by Ford for model years 1959 through to 1974. The name was used for the top models in Ford's full-size range from 1958 until 1961, in a marketing attempt to appeal to the excitement surrounding the Space Race. For 1962, all full-size Fords wore the Galaxie badge, with "500" and "500/XL" denoting the higher series.
