What to Avoid. More interesting is what to avoid when answering this question.. For my own amusement, I searched online for suggestions on how to answer this question just before I started writing this article... and some of the suggested answers were shockingly bad – or sometimes just shockingly mediocre:. Say you like “the culture” – this is way too vague, sorry, especially since ...

You can typically find your sort code on bank statements and in your online or app banking. Many banks also print the sort code on the front or back of the bank card together with the account number. At Starling, we don't display the sort code on our debit cards, because all of our customers share the same sort code, which is publicly available.
