Carter Cleaning Company The Performance Appraisal After spending several weeks on the job, Jennifer was surprised to discover that her father had not formally evaluated any employee's performance for all the years that he had owned the business.

### **SOLUTION: case question - Studypool**

Employee theft is an enormous problem for Carter Cleaning Centers, and one that is not just limited to employees who handle the cash. For example, the cleaner-spotter and/or the presser often open the store themselves, without a manager present, to get the day's work started, and it is not unusual to have one or more of these people steal supplies or "run a route."
