Zachary believes mentoring is a collaborative partnership, and that both mentor and mentee should be committed to active learning. Her emphasis in both guides is two fold: process and content. Process involves thinking carefully about your goals, reflecting on past experiences, and considering your needs.

The Mentee's Guide: Making Mentoring Work for You: Zachary ...

Mentoring is essentially about helping people to develop more effectively. It is a relationship designed to build confidence and support the mentee so they are able to take control of their own development and work. Mentoring is not the same as training, teaching or coaching, and a mentor doesn't need to be a qualified trainer or an expert in the role the mentee carries out.
