Amazon.com: Engine Rebuild Piston Kit compatible with ...

The original 4.3L Engine Model was released around 1985 as a non-balanced-shaft engine in the carbureted engine model family. This original version of MerCruiser 4.3 Engine was equipped with a mechanical fuel pump however in 1992 with Gen II series engines the fuel system was upgraded to include an electric fuel pump as well as standard engine mounts due to the introduction of the balanced shaft engine design to address the inherent vibration issues associated with 90 degree V6 engine ...
