Murray's Guide to the South Klondike Highway

Murray's Handbooks for Travellers were travel guide books published in London by John Murray beginning in 1836. The series covered tourist destinations in Europe and parts of Asia and northern Africa. According to scholar James Buzard, the Murray style "exemplified the exhaustive rational planning that was as much an ideal of the emerging tourist industry as it was of British commercial and industrial organization generally." The guidebooks became popular enough to appear in works of fiction suc

Murray's Handbooks for Travellers - Wikipedia

Start by placing the cheese wedge on its side which is large and flat. Hold the cheese firmly with one hand. Insert your knife vertically with the pointed side down (perpendicular to the cutting board) into the cheese near the edge of the wedge. Wiggle the knife until a large crumble pulls away from the wheel.
