Theories of International Relations Scott Burchill, Andrew Linklater, Richard Devetak, Jack Donnelly, Terry Nardin, Matthew Paterson, Christian Reus-Smit, Jacqui True No preview available - 2013. Common terms and phrases.

Theories of International Relations - Scott Burchill ...

The theory of realism in international relations generally assumes that the international system is inherently disorderly and relations are anarchic because primary actors are perpetually locked against a struggle for power and security. Another general assumption of this theory is that states are the primary actors in the international politics.
