The \$domain Public Library provides a variety of services available both in the Library and online, pdf book. ... There are also book-related puzzles and games to play.

### Who Goes First The Story

Who Goes First? tells their stories and thus gives us a view of medical research that diverges from the alienation of the nameless number heads. Lawrence K. Altman has pursued research on the subject of medical self-experimentation since his days as a medical student, and this personal interest shines throughout the book.

"If This Goes On—" is a science fiction novella by American writer Robert A. Heinlein, first serialized in 1940 in Astounding Science-Fiction and revised and expanded for inclusion in the 1953 collection Revolt in 2100. The novella shows what might happen to Christianity in the United States given mass communications, applied psychology, and a hysterical populace.
